The Church Council has voted to reopen the church sanctuary for Sunday services beginning Sunday, May 2, 2021 at 10:00 AM. This service will be recorded and posted on our website as soon as possible following the service.

The church is only being reopened for the service beginning Sunday, May 2; no other gatherings will be allowed at this time.

The Church Council also voted to begin Wednesday night parking lot services on Wednesday, May 5. The Council's first priority continues to be the safety and health of Pastor Bill and all members of our congregation. Therefore we are implementing the following parameters for our sanctuary service:

- Maximum of 70 people on a first come, first served basis.
- Masks are mandatory indoors at all times while on church property and outside when social distancing cannot be maintained.
- No congregating in the narthex before or after service.
- Doors will open 10 minutes prior to the start of service. Walk in and sit down. Pews will be marked to maintain social distancing.
- There will be no singing (special music may be offered).
- There will be no communion.
- An offering plate will be provided in the sanctuary.
- There will be no fellowship.
- There will be no greeters.
- Bulletins will be provided for you to pick up as you enter the sanctuary.
- Church service facilitators (ushers) will assure these guidelines are followed.

The Council will monitor services every week and decide when to ease or strengthen parameters. Any questions/concerns/comments should be directed to Council President Mark Whiteside (mark.a.whiteside@gmail.com or 715-566-0631).
